**FILM PRESENTS CONQUEST OF ATLANTIC BY STEAMSHIP**

The heroic struggle to conquer the Atlantic by a ship powered with steam, set in motion by the salty, red-blooded men and women with the courage to bring a dream to triumphant realization, is gloriously told in the new Frank Lloyd production, "Rulers of the Sea," now showing at the Lomita Theatre.

Lloyd, aware of the importance of this story in the history of maritime affairs, wrought with infinite care the entertainment elements which combine to make "Rulers of the Sea" a great and authentic and human entertainment. He cast the picture with stars and featured players capable of delineating the plot of struggle and of courage, of humor and of romance written into the roles. He had built a steamship which might have sailed the sea in 1838, and a sailing packet of the same period, seaworthy both.

MARGARET LOCKWOOD  
... commands love interest

Douglas Fairbanks, Jr. who has played many great romantic roles with vigor and certainty, is starred as the young first mate of a sailing ship. Margaret Lockwood, lovely English actress, is co-starred cast as the daughter of a Scottish inventor. To round out the starring trio, Will Fyffe, the great Scottish character actor, last seen in this

country in "To the Victor," was chosen to play the role of a Scottish inventor and foundryman who perfects a steam engine which he believes capable of driving a ship across the Atlantic.

**CARBO IN TENDER SCENE**... In "Ninotchka" Greta Garbo has a role which has more human interest and comedy than any of her previous productions. Co-starred is Melvyn Douglas. The highly-rated screen hit opens Sunday at the Plaza theatre in Hawthorne.

**MAN OF THE HOUR**... Featuring the Lane Sisters, Mae Robson, Claude Rains and Jeffrey Lynn. "Four Wives" is a comedy drama currently showing at the Grand theatre.

**Fish and Game Club Pictures Exhibited**

The memorial bell committee of the Community Presbyterian church wishes to remind anyone desiring to donate to the fund that all donations must be at the church by Sunday, Jan. 28, if the donor wishes a name engraved on the bronze plaque.

**Stewart Out of Track With Damaged Knee**

Bill Stewart, California state interscholastic high jump champion in 1939, has cleared the bar at 6 ft. 7 1/2 in. but he failed to leap away from Old Man Bad Luck.

Shortly after Christmas, Stewart, one of the most promising high-jumpers on the Coast, underwent an operation to remove the damaged piece of cartilage in his left knee—the one that bears his weight on landing.

But infection set in and he was forced to return for further treatment. Now he has just recently been released from the hospital but his leaping is over for the remainder of the year. Stewart, who is enrolled at U. S. C., took second in both the senior and junior divisions of the National Interscholastic meet last spring in Lincoln, Neb. He graduated from Torrance high with the Summer class of 1939.

**Speedboats to Snort Sunday at Long Beach**

A record winter-time armada of 75 motorboat pilots will churn the famous Marine Stadium race course in Long Beach Sunday afternoon, Jan. 25, when they clash in the fifth annual Pacific Coast Grand Prix Sweepstakes regatta. Both inboard and outboard type racing craft will clash in the meet. It will start at 1 p. m.

**Norman Hudson To Be Installed Master Councillor Saturday**

Ritualistic and ceremonial will be the third open installation rites of Torrance chapter, Order of DeMolay, to be held at 8 o'clock Saturday night in the Torrance Masonic Temple, when Norman Hudson is to be elevated to master councillor, highest office in the lodge. Replacing master councillor is Harry Lewis. Other elective officers who will also be seated in their new chairs include Robert Tolson, senior councillor, and Harold Massie, junior councillor.

Appointive officers who will take their new places in the order are Robert Owens, senior deacon; Hugh Allen, junior deacon; Richard Beecher, senior steward; Kenneth Perkin, junior steward; Richard Miller, orator; Albert Mason, sentinel; William Buckley, chaplain; Harold Keen, marshal; Robert Isaacs, standard bearer; John Thomas, almoner. Preceptors are Earl Lock, Edgar McDonald, Thomas Higgins, Howard Locke, Jr. Conrad Christensen, Clifford Trezise and O. B. Huber.

The address of welcome by E. A. Day, advisor of the order, will open the program. Invocation by Rev. H. G. Banks and a group of piano solos by Norma Patterson have also been programmed. Refreshments will be served.

**Dr. Ross Nine Beats Longshoremen**

Poling out 12 hits for nine runs, Dr. Ross Dog Food defeated the San Pedro Longshoremen 9 to 3 last Sunday at San Pedro. The Longshoremen nicked Pitches' Tax for six runs, five of them in the fourth inning. The Dr. Ross club, managed by J. D. Davidson of Lomita, is composed of young Lomita and Harbor District players. They travel to Newhall next Sunday.

**Ham-Eggers Call Mass Meeting**

A mass meeting in behalf of Ham 'n Eggs, Inc., is to be held at 7:30 o'clock Tuesday night, Jan. 30, in Torrance's McDonald Hall, according to Mrs. Frank Foster of San Pedro, district manager for the old age pension plan.

**Villain to Stride Stage for P.T.A. on March 1**

Extra! Jealous no doubt of a successful melodrama that has been playing to full houses for years, the Narbonne P. T. A. is starting rehearsals for a play to be given March 1. The Narbonneites of 1940 will present "Curses! The Villain is Foiled!" and the few in the know as to script and cast say it is a blood-curdling thriller with an all-star cast.

Other features of the program, which is a benefit for Narbonne P. T. A., will be Scotch songs by the faculty's Harry Lauder, James Van Patten, and to offset the chills caused by the play, June Lindgren will give some flute solos.

It is also rumored that granddaughters of the original Florida Sextette will appear in their grandmothers' costumes.

**County Budget Top Heavy by Million Dollars**

Expenditures totaling approximately \$1,000,000 for items not in this year's county budget will appear in the 1940-41 budget now in preparation, according to county budget experts now working out preliminary details for Wayne Allen, chief administrative officer for the board of supervisors.

This will mean that severe retrenchments must be made in other items, sufficient to offset these increases, or the supervisors will be forced to raise the general county levy which is \$1.4973 this year. And it requires nearly four cents on the general levy to raise \$1,000,000 in revenue.

Three items alone constitute the threatened \$1,000,000 budget increase. One is the five-step salary plan whereby some 12,000 county employees recently were pledged pay increases by the board of supervisors. This would require between \$200,000 and \$400,000 more for next year than this year in the salary budget.

Can Rescind Increases

The presidential primary, the state primary and the general election next November, plus an increase of nearly 500 in number of election precincts accounts for nearly \$375,000. And the supervisors have agreed to pay election board officials \$8 for their services at elections this year, and \$8 for polling place rental, instead of \$5 as has been done some years. All this amounts to some \$25,000.

Increase in the county's normal welfare loan and in General Hospital costs have been estimated at about \$250,000. This extra cost, like election costs, must be met, although the supervisors could harken to protests of taxpayers and rescind any and all pay boosts, experts say.

Public hearings on next year's budget are scheduled to begin on June 10 and the final budget is to be adopted before June 30.

**Editor Now Boon Friend of Cats—There's a Reason**

One of the readers of The News asks the editor to write something about cats. I'll have to be careful if I do as the cats evidently have been reading the News.

Ever since I first visited the new Dog and Cat Food Cannery at Harbor City and mentioned the fact, cats have been trying to adopt me, from alley cats to aristocratic Persians.

The samples of the new food, Sassy Dog and Cat Food Jr. Bertell gave me seem to be very favorably received.
